

Fastpitch Softball
Regionally competitive women's softball club. Focus is on enhancing individual and group skills and to promote the sport of fastpitch.

Fencing Club
Regionally competitive club that attaches skills and techniques necessary to succeed in tournaments individual members may attend. Skill levels range from first-time beginners to veterans of many years. It is a coed program.

Freestyle Martial Arts
The freestyle martial arts club is a social and instructional club that provides the opportunity to learn self defense in a relaxed environment open to all martial art styles. The club promotes self discipline and cooperation.

Fire Station, WSU
The students selected to work at WSU Fire Station, a fire and emergency medical service, provide services to WSU students, faculty and the surrounding community.

G

Gay, Lesbian, Bisexual and Allies
This ASWSU Committee serves as a support for gays, lesbians, bisexuals, transgender and allies. Its goal is to help educate and raise awareness of bisexual, transgender, lesbian and gay issues as well as issues involved in being an ally. Additional awareness and resource information is available through the GLBA Program located in the basement of the CUB.

Genetics and Cell Biology Club
The club familiarizes students with the career and school opportunities related to the field of genetics by supplying students interested in genetics with a peer support

and information system.
Girl Scouts, Campus
The organization provides students identifying with the Girl Scout movement opportunities through fellowship and leadership for service within Scouting and the campus.

Gamma Alpha Omega Sisterhood
The group's sisterhood is founded on the principles of unity service and pride while promoting the leadership and empowerment of women.

Golden Key National Honor Society
The honor society recognizes and encourages scholastic achievement and excellence in all undergraduate fields of study and seeks to unite faculty and administration in developing and maintaining high standards of education. The national organization provides economic assistance to outstanding members by means of scholarships.

Graduate and Professional Student Association
GPSA is the governing body for graduate and professional students at WSU. Its goals include enhancing the academic and social lives of graduate and professional students through lobbying, proposing and funding facilities and sponsoring events and research recognition. Elections occur in the spring semester. Information is available in the office on the third floor of the CUB.

H

Hall Director Assistant
HDAs are employed by the Department of Residence Life. Their main function is to assist the professional staff in the residence halls with the administrative and managerial functions of the hall. Responsibilities include overseeing front

desk operations. The application deadline is January 1999. For more information contact Residence Life or your Hall Director.

Handball Club
The club promotes handball on campus and strives to make improvements and connect those interested in the game.

Hands in Motion-American Sign Language Club
The club promotes American Sign Language and culture in a positive way on campus. It gives students who are studying American Sign Language an opportunity to use and improve their language skills and learn more about the deaf culture.

Hauoli O Hawaii
The Hawaii club provides programs that give academic and social support to its members by sponsoring various social and cultural activities, peer support services and annual events.

Homecoming Committee
The Homecoming Committee, an ASWSU all-campus committee, plans and coordinates the annual week of Homecoming events. Past events have included Homecoming Games, competition between living groups, banner and airband contests and a dance.

Hong Kong Students Association
The association gives Hong Kong students an opportunity to meet with others from Hong Kong. It provides support to those attending WSU through social functions.

Honors Student Advisory Committee
The board's aim is to help make the program a positive experience for all students involved by organizing activities and serving as a liaison between the students and the administrators.

Horticulture Club
The goal of the club is to teach students about plant production and sales, encourage professional networking and

provide social activities and community service.

Horticulture Graduate Students
This representative body of students in the Dept. of Horticulture and Landscape Architecture promotes communication, cooperation and mutual interest among the students and faculty.

Hotel/Restaurant Management Club - Sigma Iota
Sigma Iota sets out to maintain a high standard of scholarship while promoting interest in the profession, maintaining high standards, and working with hoteliers and restaurateurs for the betterment of the industry.

Housing Commission
This ASWSU Committee provides current listings of available off campus housing and operates a roommate referral service. Committee members assist with landlord/tenant issues.

Human Care Program
The volunteers in this Community Service Learning Center program serve children, youth, women and families as advocates and mentors. This program offers students a chance to address social issues of homelessness, poverty and violence through work with food banks, clothing drives, crisis lines and other activities associated with local community agencies.

Human Development Club
The purpose of the organization is to encourage students' professional development and to offer insight into employment opportunities upon graduation.

Human Resource Management Club
The club seeks to further the development, improvement, and application of personnel administration practices and foster contacts and the exchange of information between members.
