**Seniors' Last Fling
'Double-Nothing'**

By Betty Moir

Step right up, folks, and get your tickets to that wonderful, super-colossal, stupendous, double-or-nothing senior ball. It's not at every ball that you can dance for the small sum of 20c per hour per person to the music of an All-Star band.

Where does the double-or-nothing come in? Why the "Finale" and the "Encore" of course. Dancing will be held on the entire second floor of the CUB until midnight for the first half. At 12:00 the dancing adjourns to the Armory for two more hours of dancing. It will be a 2:30 night for women.

Tickets for this, the seniors' last large-scale fling, are on sale at the Bookie, CUB information desk, and at the Corner Drugstore. The ducats are priced at \$2 per couple and will also be sold at the door.

"The All-Star band has been rehearsing for several nights and they sound terrific," states Sid Morrison, general chairman of the ball.

Morrison also stated that the decorations will carry out the musical theme of the dance.

Selective Service

All men students who expect to request deferment from Selective Service on the basis of their academic records are reminded that before the close of this semester they should call at the Registrar's Office and obtain forms for requesting that Form 109 (the rating form) be sent to their Selective Service boards after the close of the semester.

The black robed members filed through the auditorium, stepping over people's feet, not missing a few of them, to "attack" the new members from the rear amidst feminine squeals and bursts of applause.

**Fourth H-Bomb Exploded
By United States Says AEC**

WASHINGTON. @—The United States exploded its fourth and perhaps its fifth hydrogen bomb of the year during the past few days, it was reported Thursday night.

The Atomic Energy Commission and the Department of Defense jointly announced successful completion of the 1954 series of "thermonuclear weapons" tests in the Pacific.

There was no mention in the announcement of how many explosions there were. But three blasts previously have been reported on March 1, March 26 and April 6. And it was understood there has been at least one more blast during the past week or so.

Laniel Govt. Shaky

PARIS (P)—Premier Joseph Laniel won a National Assembly confidence ballot by only two votes Thursday night.

From the small margin of his victory it appeared his government would be thrown out of office as soon as the talks on Indochina end at Geneva.

Laniel pleaded with the Assembly not to throw him out of office now and thus open a crisis while critical negotiations for an Indochina peace were going on at Geneva.

Eden Lays Down Formula

GENEVA (P)—British Foreign Secretary Anthony Eden laid down Thursday the "absolute

minimum" of Western requirements for a formula to unify Korea.

He urged action upon them by the 19-nation conference on Korea, but most of the principles Eden cited have been rejected already by the Communists. The Reds were not expected to change their views.

With Eden's declaration the effort here to find a plan for unifying Korea moved out of its primary stage. Despite sharp Eastwest disagreement a British spokesman said the talking on Korea "may last a long time yet."

Two of the points made by Eden Thursday—free elections supervised by the United Nations and proportional representation of North and South Koreans on any unification organs—are absolutely opposed to the Communist program for Korea.

'Big Bait' Charge Denied

WASHINGTON (P)—Army counsel John G. Adams denied under oath Thursday he ever tried to buy off a McCarthy investigation of the Army of offering tips on homosexuality or subversion in the Navy or Air Force as "bigger bait."

The high strung but low-voiced Army lawyer did accept the truth of one allegation—that he telephoned Maj. Gen. Kirke Lawton at Ft. Monmouth, N.J., and asked him to withdraw security risk charges

against nine persons.

Adams said he did so because Pentagon screening officials felt there wasn't enough evidence against these individuals to justify a case before a loyalty-security board.

CUB Games Area Expanding

Two features for this spring have been added to the CUB Games Area—a new outdoor shuffle board court and horseshoe pit. The shuffle board is located just outside the Games Area on the terrace. Special treatment of the concrete has made this court possible.

Rate for the game is 50 cents per hour, singles or doubles. Use of the area will promote the setup of another court in the future.

The horseshoe pit has been set up as an experiment to determine the interest in this game.

For the remainder of the school year bowling will cost only 25 cents per line in the Union Games Area. This is a special off-season rate open to everyone.

Lew Haines, CUB Games Supervisor, has urged everyone to visit the Area before the end of the year and to bowl at the new rate or try out the new shuffle board court and horseshoe pit.
